- ABQM makes available to the user the services of STUD BOOK Online through its website [www.abqm.com.br](http://www.abqm.com.br);
- Services are available 24 hours a day or at times determined on the respective screens;
- Access to the system is carried out using a password that must have a minimum of 06 (six) and a maximum of 10 (ten) digits, which will be registered by the user on the website [www.abqm.com.br](http://www.abqm.com.br);
- The password may consist of a set of numbers and/or letters of the user's choice and provided that it is not duplicated with other existing passwords; • ABQM is not responsible for the misuse of the password;
- The user cannot allow third parties to access his password;
- For safety, the idle time established is 5 minutes. Exceeding this time, the session will be terminated, with a reboot being mandatory, where secure communication processes with ABQM's computers will be established;
- ABQM offers security conditions compatible with the browser (browser) Microsoft Internet Explorer, available in the market;
- All queries and transactions carried out by STUD BOOK Online will be recorded, and your records will be considered evident evidence in your proof.

**As they are fair and agreed, the parties sign this Term of Liability, electing the Forum of São Paulo to resolve any doubts, waiving any other, however privileged it may be.**
